

10 March 2023

MS. KRISTELLE ANN VILLALOBOS
Recruitment Officer,
iRipple, Inc.
Philippine Stocks Exchange Center, Pasig City

Dear Ms. Villalobos,

The B.S. in Information Technology program of Mapúa Malayan Colleges Laguna requires their students to undergo Practicum program for a minimum of **486** hours in an academic calendar that will prepare our students to be job-ready after completing their curriculum. This program intends to enable our students to acquire and practice the knowledge and skills expected of a graduate of a B.S. IT program which, in turn, would guarantee continuous supply of IT professionals needed by your company.

We believe that your company can provide the relevant exposure necessary for our students to achieve the intended learning outcomes for the B.S. in Information Technology program. In this regard, I would like to endorse **Mr. Patrick V. Mediodia** to have his practicum activities in your company as requested.

We thank you for your confidence and trust with us and we look forward to a more meaningful linkage that is mutually beneficial to our students and your company.

With warm regards,

KHRISTIAN G. KIKUCHI
COLLEGE DEAN
College of Computer and Information Science
Mapúa Malayan Colleges Laguna
